

**Vista Royale Computer Club**  
**Minutes of the Meeting**  
**February 25, 2016**

Mike Johnson, President, welcomed 47 members and guests; we now have 180 members. You can always use the calendar on our website [www.vrcc.info](http://www.vrcc.info) to see who will be our next speakers. He reminded all of us of the Vista Royal Association Annual Meeting on Wed, March 2nd; please send in your proxy and ballot **before** the meeting.

Also, Sheriff Deputy Roberta Barker will be presenting a program on Cyber Crime and Identity Fraud at Royal Palm Clubhouse on Tuesday, March 8th at 1 pm. Refreshments will be served. If possible the committee would appreciate a RSVP by March 5 for a cookie count at Carol 401-330-8430 or JoAnn 716-341-7511. This is open to all Vista Residents & Guests.

Mike then raffled off to some attending members some shirts donated by ACT and a nice laptop.

Our speaker this week was Alicia McKenny Hanrahan who showed everyone how to create a Facebook account, edit your profile, and create & use a Facebook group. She also demoed uploading a photo and posting a message. She explained other aspects of this website included how to handle 'friends' and set the security features. She also found that a quite a few members had suggestions and tips that they used, including changes that have happened in the past few days. Pokes, 'saved', news feeds, find friends, etc was explained and discussed. It was a very interactive program and enjoyed by all.

Here are a couple of places to learn more about Facebook:

Next week, on Thursday at 9:30 am, we will have two travel agents from AAA on Rte 60 talking about Senior Travel. Kelly Bergstrom will be one of them and you may have met her at the Health Fair last week.

Regards, Sandy McKenny, Sec.
