

**Vista Royale Computer Club**  
**Minutes of the Meeting**  
**January 21, 2016**

Mike Johnson, President, welcomed 57 members and guests; our largest meeting this winter. Our paid membership is now over 155 members. Please pay your \$20 cash dues so that you can keep your membership active, grace period ends on Jan 30 and with this newsletter. Please take your Vista badge with you when you pay so you can get your 2016 VRCC sticker. There are stickers waiting for a few members who have already paid..... you need a 2016 sticker to use the equipment in the Lab.

The people who have signed up for classes or are on waiting lists will be notified by the instructor of the time and place. Always notify the instructor if you are unable to attend so that another member can be included.

Mirja Heide of [www.Refreshfotos.com](http://www.Refreshfotos.com) was our speaker. She is the owner, instructor and consultant specializing in computer, iphone and ipad training. She also has photo management & organizing services. Her brochure and business cards are in the Lab. Mirja demonstrated over 10 iPhone & iPad tips on the screen while many members followed along with their own devices. She even went into the audience to help individual members as we went along. She emphasized the need to know your Apple ID to get new apps and back-up your data to iCloud. It was a very comprehensive overview of Apple products and the program was very well received. Extra hand-outs are in the Lab.

Next week, January 28th, our speaker will be John of Bill's TV on Rte 60 and he will be talking about the advantages of a 'Smart TV'; using the one in the kitchen which we purchased for the Association.

Our programs are ALWAYS at 9:30 on Thursday morning. For your personal calendar ...watch for the future programs that include: Florida Residency, new digital hearing aids, long term care, online banking & fraud, Facebook, and senior travel. Let us know if you have a subject you would like covered and we will attempt to find a speaker or demo it ourselves if we can.

Regards, Sandy McKenny, Sec.
