

Vista Royale Computer Club
Meeting Minutes March 31, 2022

Mike Johnson opened the meeting; we have 69 members for this season and he reminded us that this was the last meeting of the season. The LAB will be closing on Wed, April 13, 2022 so you can copy those tax forms at almost the last minute. We will be packing equipment up for hurricane season on Thursday, April 14 at 9:30am.

Sandy reminded us all that after midnight tonight you can view the US 1950 Census on Ancestry.com or FamilySearch.org..... and probably find yourself and your family. We want to acknowledge 2 members of VRCC who have sold their units and are planning on staying up north in the future. We will miss the participation of Mary Pearson and Donna Campana. Wishing you all well.

PROGRAM: Fun Stuff and How I use a Computer by Mike Johnson

Here are the links and hi-lights of Mike's presentation:

=====

Mike showed the latest fraud email he received and the latest scam..... be vigilant about the address you are getting these email from. Then we enjoyed these videos:

For the Ski Enthusiasts: <https://www.flixy.com/candide-thovex-a-bit-of-skiing.htm>

Gone Fishing: <https://www.flixy.com/best-fisherman-bloopers.htm>

<https://www.flixy.com/people-are-awesome-best-of-the-week-103.htm>

WHAT DO YOU USE YOUR COMPUTER FOR?

Our own website: <https://www.vrcc.info/>

Mike's COMPUTER USES:

Email Newspapers User Manuals

Banking Research Travel Info

Bill Payments Word Documents TV Shows

Investments Spreadsheets Streaming

Taxes Presentations Real Estate

Insurance Medicare Weather

Doctor portals Prescriptions USPS

NOTE: LAB will be open until Wed, April 13 for those of you who need to make copies of your tax returns. Then we will be packing up the Lab for hurricane season..... the end of another unusual winter.

Thanks, lastly to all you loyal members, have a safe trip north and great summer; see you in the fall on your return.

Regards, Sandy McKenny, Sec
