

Vista Royale Computer Club
Minutes and Information from the Meeting
March 3, 2016

Mike Johnson, President, welcomed 41 members and guests; we now have 182 members. Please use the calendar on our website www.vrcc.info to see who will be our next speaker. Mike announced that our last program will be April 14th. The lab will close for the season on Friday April 15th and will be packed up for hurricane season on Tues., April 19th.

Sheriff Deputy Roberta Barker will be presenting a program on CyberCrime and Identity Fraud at Royal Palm Clubhouse on Tuesday, March 8th at 1 pm and refreshments will be served. If possible the committee would appreciate a RSVP by March 5th for a cookie count. Please call Carol 401-330-8430 or JoAnn 716-341-7511. This is open to all Vista Residents & Guests.

Our speaker this week was Kelly Bergstrom & Kyle Bradfield from the AAA Auto Club Group; 6650 20th St; Vero Beach, FL 32966; Ph 772-770-3400 ext 2223; kbergstrom@aaasouth.com; <http://www.aaasouth.com/Kelly.Bergstrom>.

They gave us a good overview of their auto policies and owning a car in Florida. Kyle suggests that you review your current policy and consider taking his free 'Safe Driving Class' which might entitle you to a discount on your auto insurance. He told about their Road Service, the different levels they offer: basic, plus and premier and their approved auto repair company in Sebastian. They will also install your child seats in your car at no cost, but appreciate an appointment for this service. Kelly explained many of their travel services and how they will work for you. You can register for one of their free informational programs at <http://autoclubsouth.aaa.com/Branches/Branch.aspx?BranchID=098&BranchType=B&bu=I&ZipCode=32962&Distance=10>

Their April 13th program at the Heritage Center downtown Vero at 2pm is 'On Stage Alaska", featuring Holland America Line. All of their other services such as TripTiks, travel insurance and passport photos are also listed at that site.

Next week we will have Janine Snyder from the Florida Medical Hearing Center with all the latest information on the new digital hearing aids and how much they have improved the lives of so many hearing impaired people. This program was facilitated by our member, Craig Laubenthal and we feel this presentation will be of great use by many of us. Bring a friend.....

Regards, Sandy McKenny, Sec.
